

DR. HARSHVARDHAN SURESH PATIL

DOB: 31 July 2000 | Location: Maharashtra, India
Phone/WhatsApp: +91 8421737833 | Email: harshvardhanpatil619@gmail.com

Professional Summary

Motivated and clinically competent MBBS graduate (FMG) with successful clearance of FMGE in the first attempt. Clinical experience includes internship at Civil Hospital, Jalna; Service as Hospital Medical Officer (HMO) at Sir H. N. Reliance Foundation Hospital and Research Centre, Mumbai—one of India's leading tertiary-care and multi-specialty hospitals; and experience as a Telemedicine Physician providing remote patient consultations, clinical assessment, counseling, and follow-up care. Seeking a Medical Officer / Doctor position to utilize clinical skills in a dynamic healthcare setting.

Education

- MBBS** - Smolensk State Medical University, Russia (Year of Completion: 2024)
- FMGE** - National Board of Examinations, India (Cleared in First Attempt)

Clinical Experience

Hospital Medical Officer (HMO)

Sir H. N. Reliance Foundation Hospital and Research Centre, Mumbai

- Served in one of India's leading tertiary-care and multi-specialty hospitals.
- Assessed OPD patients, managed casualty and emergency cases, and delivered basic emergency care.

Telemedicine Physician

Remote Patient Management

- Provided remote patient consultations, clinical assessment, counseling, and follow-up care.
- Gained extensive exposure to clinical decision-making and direct patient interaction.
- Effectively diagnosed and handled common medical conditions via telemedicine platforms.

Medical Internship

Civil Hospital, Jalna, Maharashtra, India (Includes one year of clinical rotations in Russia)

- **Major Clinical Rotations:** General Medicine, General Surgery, Pediatrics, Obstetrics & Gynecology, and Emergency/Casualty.
- Managed an Outpatient Department (OPD) of 200+ patients in General Medicine.
- Delivered emergency care and acute case management, gaining hands-on experience with casualty patients.
- Performed essential ward procedures, including IV line insertion, IM/IV injections, and wound care/dressing.
- Conducted regular patient monitoring and follow-up evaluations.

Clinical Skills

- | | |
|---|--|
| • OPD patient assessment and management | • IV/IM injections and cannulation |
